

The Dorchester

The Dorchester is a truly luxurious holiday home, equipped with everything you need to escape everyday life and make the most of your leisure time.

The Dorchester's understated heritage green and grey colour palette gives the home a real sense of natural tranquillity - whilst the statement bold black cabinetry in the kitchen and architectural finishes add character to the interior design.

As the largest holiday home in our range, the Dorchester makes great use of its huge floorspace throughout - nowhere more so than the master bedroom, a true sanctuary boasting a king-size bed, elegant dressing area, and walk-in wardrobe, as well as a stylish ensuite.
