

Introducing
The Vogue

There are holiday homes, and then there is the Vogue.

Our flagship model and the shining star of our 80th anniversary celebrations, the Vogue is everything you'd expect from Willerby – and so much more.

From the moment you set eyes on its striking exterior, you know this is something truly special. Step inside and the feeling continues – light pours in through full drop windows and triple sliding patio doors, creating a sense of space, calm, and effortless style.

At its heart is a stunning kitchen, where the island – complete with integrated hob – invites you to gather, cook, and enjoy the moment.

And when it's time to unwind, the main bedroom is your own elegant escape. Full-length mirrored sliding doors conceal a generous wardrobe and an en-suite bathroom, which adds a touch of indulgence to everyday life.

This is Willerby at its very best – a holiday home that showcases our design flair, craftsmanship, and passion for creating something unforgettable. The Vogue is not just a holiday home - it's a statement.
